Thank you for your interest in supporting Randolph Middle School Athletics. The RMS Athletic Booster Club is a non-profit volunteer organization whose primary purpose is to support RMS Athletic Department and the many RMS student athletes. CMS provides each middle school athletic department with a standard, modest budget. As you may know, it covers some basic athletic needs but not nearly the entire list of needs of a school comprised of 1,300+ students, 13 athletic teams and almost 200 athletes. This means the support of our community partners is crucial! Your donation will go towards uniforms, equipment, transportation expenses, facility maintenance, and awards. Because we consider you a partner, we are happy to help promote your company within our school community. As such, we offer three tiers of business sponsorship.

Silver Sponsor: \$250-\$499
